

## INSURANCE COVERAGE INFORMATION

We hope this document helps you understand what **is** and **is not** covered by insurance at the UCSF Center for ASD and NDDs.

Our Clinic Coordinator will verify your benefits before an initial visit. Given the complexities of insurance coverage, we recommend that you verify coverage with your insurance carrier directly. Your insurance plan may not cover all of the services even if we are an “in-network” service provider. Each plan is unique and may have restrictions. Unfortunately, insurance verification or authorizations **do not** guarantee payment by your insurance company.

### Insurance Companies that generally consider our center “In-Network”:

- Aetna
- Blue Cross/Blue Shield
- Health Net
- Medi-Care (Part A and B)
- United Healthcare

Kaiser \* *in-network* rates apply if there is a **referral** from a Kaiser doctor  
 \***Unfortunately, we cannot accept Medi-Cal as primary/stand-alone insurance, including all state or county health plan. Moreover, we cannot accept the self-pay fee or cash payment for Medi-Cal.**
